We are always being made aware of scam phone calls, text messages and emails etc.

If you receive a fake message, forward the text, including phone number or company name, to 7726. It won't cost you anything and means your phone provider can investigate. If you responded to a scam text and provided your bank details, contact your bank immediately.

Spread the message about the Silent Solution so that people are aware. This could help to prevent abuse from happening. When dialling 999, if speaking or making an immediate sound would put you in danger, stay on the line and press 55 when prompted and the call will be transferred to the Police who will know it is an emergency call.

Stay safe, Vicky

WHAT'S HAPPENING IN YOUR AREA?

The last 6 weeks has been a busy period within the Policing areas, thriving with visitors and holiday makers. Businesses and services have adapted to change and are beginning to return to their operations albeit in a reduced capacity. Whilst this has been great for the economy, can we still be mindful of Government guidelines regarding Covid 19 restrictions.

Work is still ongoing with regard to priority areas that I have highlighted previously. Speedwatch has returned and will be seen out and about in the area. If you wish to be part of Speedwatch then please do contact Vicky and she will assist or search https://www.communityspeedwatch.org/ for further information.

Please continue to update us or call/email the Force with regards to any concerns or continued anti-social behaviour that you may be experiencing.

We both plan to continue patrols in the area and will utilise the assistance of our Special Constabulary colleagues to assist.

Regards

Steve
